LETTER FROM THE BOARD

(1) GENERAL MANDATE TO ALLOT AND ISSUE SHARES

At the annual general meeting of the Company held on 16 May 2013, an ordinary resolution was passed by the then Shareholders granting the Directors the mandate to allot, issue and otherwise deal with Shares not exceeding 20% of the issued share capital of the Company on 16 May 2013. The existing issue mandate will expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors a general mandate to allot, issue and otherwise deal with Shares not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company, amounting to 666,517,398 Shares as at the date of passing such resolution, assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM.

The Issue Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the applicable Companies Law or the Articles; and (iii) the date on which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

(2) GENERAL MANDATE TO REPURCHASE SHARES

At the annual general meeting of the Company held on 16 May 2013, an ordinary resolution was passed by the then Shareholders granting the Directors the mandate to make Share repurchases (within the meaning of the Takeovers Code) of up to 10% of the issued share capital of the Company as at 16 May 2013. The existing repurchase mandate will expire at the conclusion of the AGM.

At the AGM, an ordinary resolution will be proposed to grant to the Directors a mandate to make Shares repurchase up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of such resolution, amounting to 333,258,699 Shares, as at the date of passing such resolution, assuming that no further Shares are issued or repurchased after the Latest Practicable Date and up to the date of passing of such resolution at the AGM.

The Repurchase Mandate will remain in effect until the earliest of: (i) the conclusion of the next annual general meeting of the Company; (ii) the date by which the next annual general meeting of the Company is required to be held by the applicable Companies Law or the Articles; and (iii) the date on which such an authority is revoked or varied by an ordinary resolution of the Shareholders in a general meeting of the Company.

Under the Listing Rules, the Company is required to give to the Shareholders an explanatory statement containing all information reasonably necessary to enable them to make an informed decision on whether to vote for or against the resolution to grant to the Directors the Repurchase Mandate. The explanatory statement required by the Listing Rules is set out in Appendix I to this circular.

LETTER FROM THE BOARD

The Board wishes to state that they have no present intention to repurchase any Shares or issue any new Shares in the event that these general mandates are approved.

(3) GENERAL MANDATE TO EXTEND THE ISSUE MANDATE

In addition, if the Issue Mandate and Repurchase Mandate are granted, an ordinary resolution will be proposed at the AGM that the Directors be granted an extension of the Issue Mandate, which provides that any Shares repurchased under the Repurchase Mandate will be added to the total number of Shares which may be allotted and issued under the Issue Mandate.

(4) PROPOSED RE-ELECTION OF DIRECTORS

In accordance with the Listing Rules and Article 112 of the Articles, any Director appointed shall hold office only until the next following general meeting of the Company and shall be eligible for re-election at the meeting but shall not be taken into account in determining the number of Directors who are to retire by rotation at such meeting. Mr. Zhou Zhenxing, Mr. Chen Qiming and Mr. Xing Jianhua, who have been appointed as Directors on 5 December 2013, will retire and offer themselves for re-election in the AGM.

In accordance with the Listing Rules and Article 108 of the Articles, at each annual general meeting, one-third of the Directors for the time being, or, if their number is not three or a multiple of three, then the number nearest to but not less than one-third, shall retire from office by rotation provided that every Director, including those appointed for a specified term, shall be subject to retirement by rotation at least once every three years. Accordingly, Mr. Yu Zhiping and Mr. Ling Bing will retire by rotation at the AGM and, being eligible, will offer themselves for re-election.

Details of the above Directors are set out in Appendix II to this circular. Separate resolutions will be proposed for the re-election of the Directors.

LETTER FROM THE BOARD

VOTING BY POLL

Pursuant to Rule 13.39 of the Listing Rules and Article 72 of the Articles, any votes of the Shareholders at a general meeting must be taken by poll. At the AGM, the chairman of the AGM will demand a poll for each and every proposed resolution, except where the Chairman in good faith, decides to allow a resolution which relates purely to a procedural or administration matter to be voted or by a show of hands.

RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other facts the omission of which would make any statement herein misleading.

RECOMMENDATION

The Board considers that the proposed Issue Mandate, the Repurchase Mandate and the extension of the Issue Mandate are in the best interests of the Company and its Shareholders as a whole as the Issue Mandate and the extension of Issue Mandate allow the Board to have more flexibility to raise funds by issuing new Shares to potential investors as and when appropriate without the necessity to seek the approval from the Shareholders for each fund raising exercise. The Board also considers that the re-election of the Directors is in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of the proposed resolutions at the AGM.

ADDITIONAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
For and on behalf of the Board of
CGN Mining Company Limited
Zhou Zhenxing
Chairman

The following explanatory statement contains all the information required pursuant to Rule 10.06 of the Listing Rules to be given to all Shareholders relating to the resolution to be proposed at the forthcoming AGM authorising the Repurchase Mandate and to enable all Shareholders to make an informed decision whether to vote for or against the resolution to approve the grant of the Repurchase Mandate to the Directors.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, there was a total of 3,332,586,993 Shares in issue. Subject to the passing of the ordinary resolution as set out in the notice of the AGM and assuming that no further Shares are issued or purchased by the Company, the Directors would be authorised to repurchase up to 333,258,699 Shares (being 10% of the Shares in issue) during the period up to (i) the next annual general meeting of the Company in 2015; or (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Companies Law to be held; or (iii) the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders in a general meeting of the Company, whichever occurs first.

2. REASONS FOR REPURCHASE

Notwithstanding that the Directors have no present intention to repurchase any Shares, the Directors believe that it is in the best interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Company to repurchase the Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the value of the net assets and/or earnings per Share of the Company and will only be made when the Directors believe that such repurchase will benefit the Company and the Shareholders.

3. GENERAL

As disclosed in the most recent published audited consolidated financial statements of the Company for the year ended 31 December 2013, the Directors consider that there might be a material adverse impact on the working capital or gearing position of the Company in the event that the proposed share repurchases were to be carried out in full during the proposed purchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

4. FUNDING OF REPURCHASES

Repurchase made pursuant to the Repurchase Mandate must be funded out of the funds legally available for such purpose and in accordance with the memorandum of association of the Company, the Articles, the Companies Law and the applicable laws of the Cayman Islands and the Listing Rules.

The laws of the Cayman Islands provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant Shares, or funds of the Company which would otherwise be available for dividend or distribution or the proceeds of a new issue of Shares made for the purpose of the repurchase. Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital. Such purchase may not be made if, on the date the purchase is to be effected, there are reasonable grounds to believe that the Company is, or after the purchase would be, unable to pay its liabilities as they become due.

A listed company in Hong Kong may not repurchase its own securities on the Stock Exchange for inter alia, a consideration other than for cash or for settlement otherwise than in accordance with the Listing Rules.

5. DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates (as defined in the Listing Rules), has any present intention, to sell Shares to the Company or its subsidiaries if the Repurchase Mandate is approved by the Shareholders.

As at the Latest Practicable Date, the Company has not been notified by any of its connected person (as defined in the Listing Rules) that he/she has a present intention to sell Shares to the Company or its subsidiaries, or has undertaken not to do so in the event that the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange, so far as the same may be applicable, that they will only exercise the power of the Company to make repurchases of its Shares pursuant to the Repurchase Mandate and in accordance with the Listing Rules, the Company's memorandum of association and Articles and all applicable laws of the Cayman Islands.

6. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC HOLDING

If on exercise of the power to repurchase Shares under the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such an increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. As a result, a Shareholder or a group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

The Directors have no present intention to exercise the Repurchase Mandate to such extent so as to result in triggering a mandatory offer obligation or the public holding of Shares would be reduced below 25% of the issued share capital of the Company.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Company, the following Shareholders have beneficial interests representing 5% or more of the issued share capital of the Company within the meaning of Part XV of the SFO:

Name of Shareholders	Number of Shares held	Before repurchase	After repurchase
Perfect Develop Holding Inc. (Notes 1, 3)	522,526,940 Shares	15.68%	17.42%
China Uranium Development (Notes 2, 3)	1,670,000,000 Shares	50.11%	55.68%
CGNPC-URC (Notes 2, 3)	1,670,000,000 Shares	50.11%	55.68%
CGNPC (Notes 2, 3)	1,670,000,000 Shares	50.11%	55.68%

Notes:

- (1) The issued share capital of Perfect Develop Holding Inc. is beneficially owned as to 58.28% by Mr. Tao Lung, 30.67% by Mr. Huang Jianming and 11.05% by Mr. Liu James Jin. Mr. Tao Lung and Mr. Liu James Jin are former executive Directors of the Company. Mr. Huang Jianming is a founder of the Group and is currently a non-executive Director of the Company. Pursuant to a share charge dated 1 April 2011 (the “Share Charge”), Perfect Develop Holding Inc. charged 450,000,000 shares (“Charged Shares”) in favour of China Uranium Development. Subsequently, pursuant to a supplemental deed dated 18 February 2014 (“Supplemental Deed”), 225,000,000 Charged Shares were released on 18 February 2014 and subject to a lock up which will expire on 31 December 2014. The remaining 225,000,000 Charged Shares will continue to be charged in favour of China Uranium Development until 31 December 2014. Please refer to the announcement of the Company dated 18 February 2014 for further details of the Supplemental Deed.
- (2) China Uranium Development is also interested in the convertible bonds in the principal amount of HK\$600,000,000 issued by the Company (the “Convertible Bonds”), which can be converted into 2,608,695,652 Shares. China Uranium Development is solely and beneficially owned by CGNPC-URC which in turn is held by CGNPC.
- (3) Assuming that the Share Charge is not enforced by China Uranium Development and the Convertible Bonds are not converted into Shares as at the Latest Practicable Date up to the date of AGM.

In the event that the Repurchase Mandate is exercised in full and given that the Repurchase Mandate has been approved by the Shareholders, the interests of the above Shareholders will be increased to approximately the respective percentage shown in the last column above. On the basis of the shareholding held by the Shareholders named above, an exercise of the Repurchase Mandate in full will not give rise to an obligation on them to make a mandatory offer under Rule 26 of the Takeovers Code.

7. SHARE PURCHASE MADE BY THE COMPANY

The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) during the six months period immediately preceding the Latest Practicable Date.

8. SHARE PRICES

During each of the previous twelve calendar months immediately preceding the Latest Practicable Date, the highest and lowest prices at which the Shares had been traded on the Stock Exchange were as follows:
